Attention of Mr. Kraus

Dear Sir:

I am writing in reference to Thadist Christopher, one of the Members of the Newark Eagles Baseball Club. Christopher was injured on August 8, 1941 and I am paying his salary until August 15th. I will appreciate having your people putting him on compensation pay roll from that date on, as he will be unable to play ball any more this year. His salary was \$175.00 per month.

In the case of Leamon Johnson, he is also out of the game and has been since he suffered a spike wound on August 3, 1941. I cannot be definitely sure when he will be able to resume playing. I have paid him his salary to date, but would appreciate having the Insurance Company reimburse me, as it has been necessary to get some one to replace him.

Very truly yours,
